COMMUNITY LAY DIRECTOR

Happy March Brothers and Sisters! I find that the unpredictable and grey weather has made my spirit feel the same. I love the days of sunshine and the sprouts of new life popping up, but sometimes, I get dragged into the muck of the tired looking and ho-hum days. You know those, right? The days where it never seems to start; mid-morning and again mid-afternoon, you look out the window and wonder if the time on the clock is really right?

Those days drag my spirit down. I have less grace toward people, less joy in my heart. I find it harder to smile. I feel like I haven't even woken up yet. I feel more judgmental toward myself (and to others). I don't see the good. I don't look behind and beyond what people do and say. Do you ever feel like that? Here's a challenge for me (and for you, should you choose to accept it). BE the sunshine! Shine with the SON light! "For God, who said 'Let light shine out of darkness,' made his light shine in our hearts to give us the light of the knowledge of God's glory displayed in the face of Christ." (2 Cor 4:6)

I hope to see you shining at this month's Gathering! It is a great time of fellowship, worship, and inspiration! Maybe even wear some agape! Come join us! Until then... De Colores! & Be Blessed!
